DESTINATION COLLEGE

Free 1:1 college counseling and a pathway to game changing college support

Destination College is a program run by our college partner ScholarMatch to provide hands-on support to our high school students who are the first in their family to attend college.

ScholarMatch offers:

- free 1-on-1 college advising
- college prep workshops
- visits with colleges & more

Students can participate in the ScholarMatch Destination College program online or in person when our college center in the Mission reopens in January 2021.

Students who complete the Destination College are invited to apply to ScholarMatch's college program to receive robust support in college.

HOW IT WORKS:

Apply: High school juniors are invited to apply by submitting an interest form. Students who apply before August 1st may have the opportunity to work 1-1 with a personal college coach. .

Meet Your Coach: In August, eligible students will be matched with a College Coach who works with the student via phone, email and text for the year as they apply to college.

Students may also participate as a drop-in student, attending free workshops and events and receiving support as needed from ScholarMatch staff and volunteers.

Complete Milestones: Students complete their "College Ready Milestones" to apply to college.

Apply to Continue Support: Spring of senior year, eligible students who complete their Milestones can apply to ScholarMatch's Scholars program.

College Support: Students who are accepted to continue with ScholarMatch in the Scholars Program will receive advising, financial support of up to $25,000 in scholarships, and career mentoring all the way to college graduation.
