

Destined For College

Free one-on-one college counseling and a pathway to game-changing college support.

Destined for College is a program run by our college partner ScholarMatch to provide hands-on support to Bay Area high school students who are the first in their family to attend college. Twelfth graders are matched with a college coach who provides virtual one-on-one guidance throughout the entire college application process. Seniors work with their coach on their college application list, the application essays, securing financial aid, and more.

HOW IT WORKS

Apply: High school juniors apply online at scholarmatch.org/students/sf/. Students who apply in March will be prioritized.

Meet Your Coach: Students are matched with a college coach and work together virtually throughout the year. Communication happens via phone, email, and text as they navigate the college application process together.

Complete Milestones: Student complete “College Ready Milestones” such as finalizing the college list, submitting applications, applying for scholarships, and comparing financial aid offers.

Apply to the Scholars Program: Students who complete the Destined for College program can apply to the Scholars Program. During their college years students have an advisor, summer internship opportunities and up to \$20,000 for college expenses.

ELIGIBILITY

- You have a desire to apply to four-year colleges.
- You want to work one-on-one with a ScholarMatch coach throughout the year.
