PLAN YEAR 2022-2023 DOCTORS FORM

Dear Physician,

The form on the back pertains to a benefit available to Local 2 members who are hotel and restaurant workers in San Francisco. This benefit reimburses costs associated with the caregiving of an elderly or disabled relative of Local 2 members.

Please complete the form on the flip side of this page. The information you provide will help us determine whether the elder or disabled relative's physical and/or mental condition fits our criteria for reimbursement.

Please help us keep this information confidential by inserting this form into one of your office envelopes and sealing the envelope. The Local 2 member can then deliver it to us.

If you have any questions, please call me, 415.864.8770, x720 or email lrush@local2benefits.org.

We appreciate your time and cooperation,

Louise K. Rush
Director
