SAT/ACT COLLEGE PREPARATION COURSE FOR 11TH & 12TH GRADERS SUMMER 2019

Do you want your child to go to college? If so, there are tests (the SAT or ACT) that students must take to get into college. We offer a course that helps students prepare for the test. Students who take the test preparation course usually get better test scores. When students have good test scores, more colleges accept their applications and offer financial aid to pay for college expenses. This course, administered by Study Smart Tutors, is a benefit of the Child & Elder Care Plan.

LOCATION: Classes are held at **Cristo Rey De La Salle East Bay High School in Oakland**

COURSE DETAILS:

- 10 classes – 30 hours of class time
- SAT/ACT study guide
- 2 full-length administered practice tests
- Cost of course is **\$50**; checks payable to SFCBSE DC/EC.

OFFICIAL TEST DATE: The course is scheduled so that 11th & 12th graders are prepared to take the official exam. Go to <http://sat.collegeboard.org/register> to register for the official SAT Test or <http://ACTStudent.org> for the ACT. **Registration before FIRST class is a requirement of this course.**
